

## BOVERNIER

### Easy outing.

An outstanding spot between Martigny & Verbier where the sun scorches one side of the valley while the other is a humide forest. Some of the highest vineyards and apricot trees are grown here. Interesting flora to be seen all year around, crystals to be discovered and much more!

On the trail checking out plants

Start & Finish	Bovernier (615m)
Walking Time:	approx. 5hrs
Highest Altitude:	800m
Altitude Change:	+/-185m
