

LAC DE MAUVOISIN

Easy Outing

Come for a hike and discover the hidden valley at the end of the val de Bagnes. We traverse the top of the Mauvoisin dam before entering through a series of galleries dug into the mountain to access the wild pastures. There may be some eidelweiss among the wild flowers and perhaps we will see an ibex too! Pic nic at the historic granite huts of the sheep herders.

Giétro huts & Mauvoisin lake

Start & Finish	Mauvoisin dam (1910m)
Walking Time:	approx. 4hrs
Highest Altitude:	Ecuries du Giétro 2180m
Altitude Change:	+/-270m
